# LOOKUP

This feature allows you to check the warranty status of serialized equipment by entering the serial number, model number, and the last name of the current homeowner.

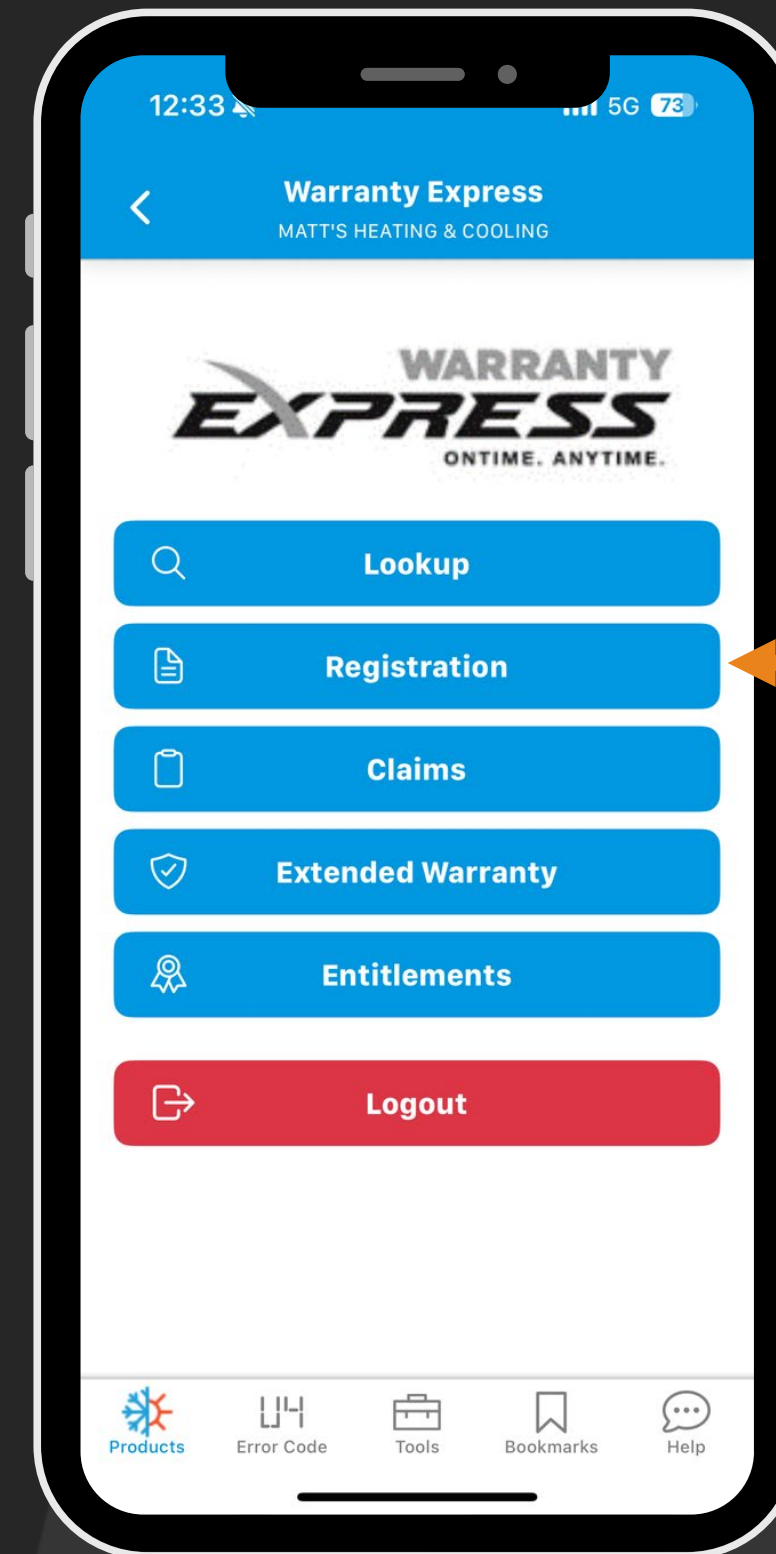

Anyone with access to Daikin Tech Hub can utilize this Lookup feature even without logging in to Warranty Express.

Note: Extended parts warranty coverage is only valid for the original homeowner unless an additional package was purchased at the time of installation.

# REGISTRATION

Coming Soon.

Our continuing commitment to quality products may mean a change in specifications without notice.

# CLAIMS

This menu allows you to start a new claim or search for past claims.

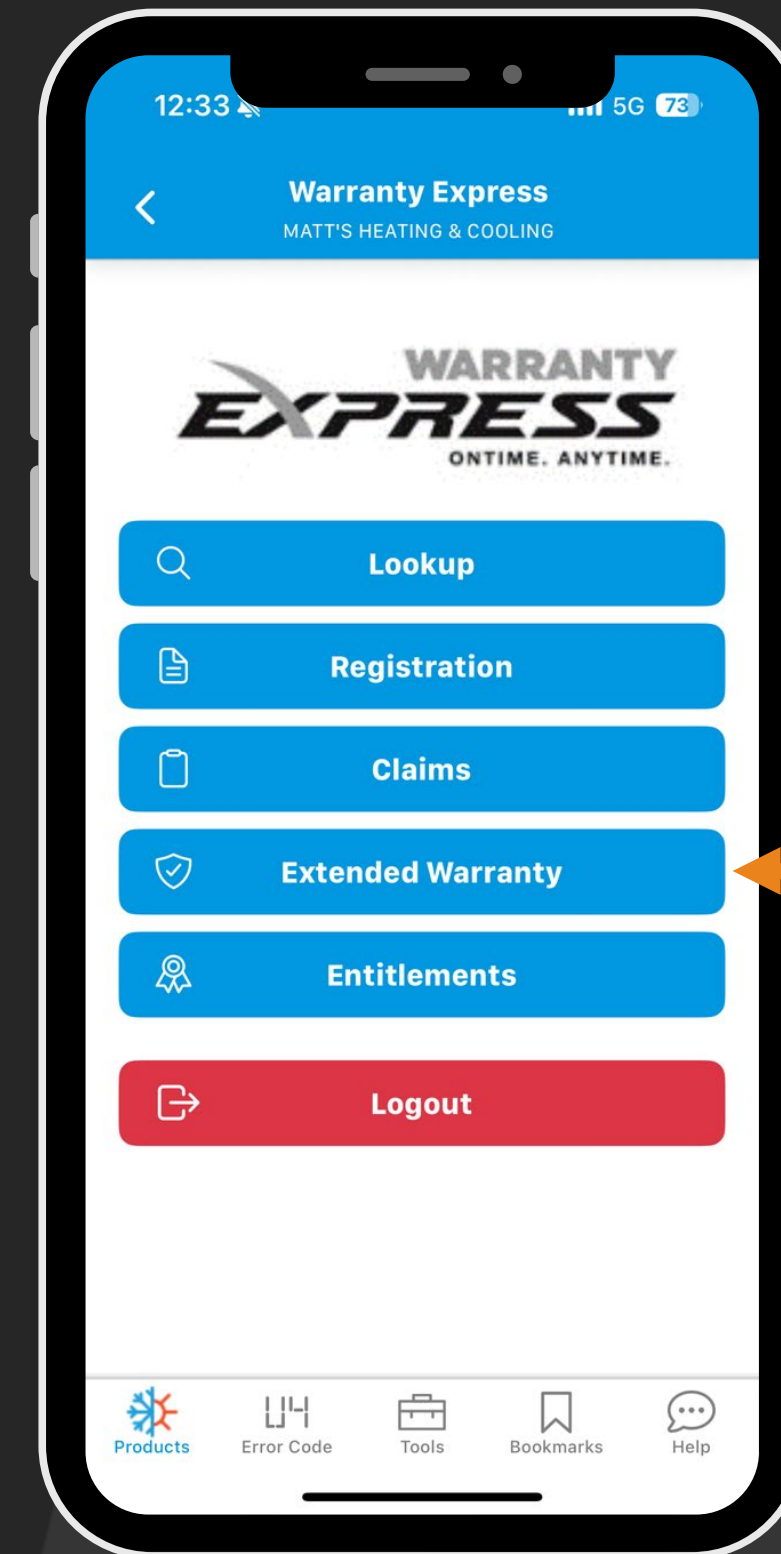

For more information:

- See the “File a Claim” quick reference guide for filing instructions.
- Refer to the “Claim Types” guide for details on the types of claims you can file.

# EXTENDED WARRANTY

This menu allows you to purchase a new Extended Service Agreement or search for an existing one.

# ENTITLEMENTS

Similar to “Lookup,” this feature lets you check the warranty status of serialized equipment by entering the serial number, model number, and the homeowner’s last name.

Unlike Lookup, access to Entitlements requires logging into Warranty Express with valid credentials. Once logged in, you can start a claim directly from this menu without re-entering the serial number and last name.
